FOR THE NORTHERN DISTRICT OF CALIFORNIA
SAN JOSE DIVISION

WILLIAMS-SONOMA, INC.,

No. C10-05316 HRL

Plaintiff,

**ORDER CONTINUING INITIAL CASE
MANAGEMENT CONFERENCE**

v.

KIDS LINE, LLC,

Defendant.

The parties advised that they were engaged in settlement negotiations. At their request, the initial case management conference was continued to February 22, 2011, and all related deadlines were adjusted accordingly. (Docket No. 8). There has been no indication that the parties have resolved this matter. Moreover, no case management statement has been filed as required by Civil Local Rule 16-9.

Accordingly, the initial case management conference is **continued to March 22, 2011, 1:30 p.m.** The parties shall file a Joint Case Management Statement no later than **March 15, 2011**. Failure to timely file that statement (or a separate statement if opposing counsel fails to participate in preparation of a statement) may result in sanctions and, possibly, an order to show cause why the case should not be dismissed (or default entered if it is the defendant who fails to file a statement) for failure to prosecute (or defend) the action.

1 Additionally, **no later than March 15, 2011**, each party shall file either a consent or
2 declination to proceed before a United States Magistrate Judge. The forms are available from
3 the Clerk of the Court and on the court's website at www.cand.uscourts.gov.

4 If the parties settle this action, they shall promptly advise the court.
